

There will be always an unfair advantage

You need to find yours

A man without a vision for his future always returns to his past

how a great system works:

"The harder you work, the luckier you get."

Just because it's taking time

Doesn't mean it's not happening

Knowing when to take the Risk is related to how Focused you are on your Goals.

First, it's an Intention

Then an Action

Then a Practice

Then a Consistency

Then a Habit

Then It's Simply Who you are
